

WORKING TOGETHER RAISING ACHIEVEMENT

# Pupil Premium Report 2017 - 18

## **Summary of pupil premium spending 2017/18**

*Governors should be informed about the current and previous year's use of the pupil premium*

### **Pupil Premium Spending Plan April 17- March 18**

At Haymerle School we are committed to raising pupil achievement across the planned curriculum and alongside the wider developmental learning needs of our pupils which include their engagement, self-help, communication, social interaction and independence.

We invest the pupil premium income received each year in providing a range of additional support to enable school staff better meet our pupils diverse learning and developmental support needs. This includes providing staff and parent training opportunities as well as direct or group interventions with pupils day to day.

#### **Speech and Language Therapist Support**

SALT provision (+ 1 day per week) focuses on pupil progress in communication targets.

Support provided in class and in group activities alongside 1-1 work, Lego therapy staff training and mentoring.

Whole staff training by Speech Therapists to enable all staff to be able to better meet the increasingly diverse range of learning needs.

Parent support and training including induction session for new starters, SALT surgery and open sessions with parents to support pupils progress and development.

We monitor outcomes tracking pupils progress in Communication IEP targets and end of year targets in Literacy and Numeracy.

#### **Occupational Therapist Support**

OT provision (+ 1 day pw) to support pupils to develop their personal independence and self-care skills. Focus on pupils Social and Behavioural IEP targets.

Pupil support provided in class and in group activities alongside 1-1 work, staff training and mentoring.

Staff training by Occupational Therapy team to enable all staff to be able to better meet the increasingly diverse range of learning needs.

Parent support and training including induction session for new starters and on-going OT surgery and open sessions with parents to support pupils progress and development.

We monitor outcomes tracking pupils progress in Physical / Sensory targets and progress towards end of year targets in Literacy and Numeracy.

#### **Other Therapy/ Additional Support Projects**

Focused support: Where a need is identified by teacher, Assessment Manager, Learning coordinator or Phase Leader following review of pupils IEPs and progress levels.

Impact monitored according to individual pupils progress towards specific targets (IEP, Behaviour, other) / and end of year outcomes.

#### **Additional Support Strategies in 2017/18**
