

## 2018 to 2019

Assessment and reporting arrangements for 2018 to 2019 have changed from the previous year.

This year pupils in years 2 and 6 were assessed against the new pre key stage standards for Key Stage 1 and Key Stage 2. Pupils who were not yet working at the standards were still assessed against the P Scales (p scale 4 and below)

For more information on the pre key stage standards, please see the documents from the DFE on the links below.
