

Literacy and Communication

Writing

In writing, we are working on mark making and letter formation.

We are learning to construct our own sentences and short paragraphs.

Reading

In reading we are learning how to describe characters and feelings.

We are working on improving our knowledge of letter sounds.

Speaking and Listening

We are learning to pronounce our letter sounds more clearly.

We are working on developing our use of PECS to make requests.

This Term, my Topic is based on the theme:

Walk Like an Egyptian

**Pink class
Year 5
Spring term**

Numeracy and Problem Solving

Number

We are learning to order numbers across a range of contexts.

We are learning to subtract.

Shape and Space

We are learning to recognise 3D shapes and to begin to describe their properties.

We are learning how to use language relating to position and direction.

Using and applying

We are beginning to learn how to solve money problems.

Knowledge and Understanding of the World (Science, Geography, History, RE, ICT)

Science

- I am learning about shadows and how they are formed.
-
- I am learning about some of the properties of different materials.

Geography

- I am learning about rivers and the water cycle.

History

- I am learning about the Ancient Egyptians and what their lives were like.

RE

- I am learning about what creation means.

ICT

- I am learning to take photographs and to use familiar programs independently.

Physical and Social Development (PE and PSHE)

PE

- I am learning how to balance in different ways.
- I am learning how to link different gymnastic movements together.

PSHE

- I am learning to take turns and share resources.
- I am learning how to recognise my feelings and those of others.

Creative Development (Art, Music, DT)

Art

- I am learning how to make choices in creative activities.
- I am learning how to express myself through art.

Music

- I am learning to follow musical instructions.
- I am learning to make specific sounds with different instruments.

DT

- I am learning to create my own versions of existing objects.
- I am learning how to request the resources that I need.
