

KEEPING CONNECTED
 Music Therapy Newsletter
 Friday 15th May 2020
 By Sarah Kong – Edition 3

Music Therapy Welcome

to the third edition of KEEPING CONNECTED, the Music Therapy Newsletter for Haymerle School to support Home Learning Plans and to provide ideas on how to bring music into the home during these unprecedented times.

I hope you have been able to take a moment in the day to offer your children musical experiences. Please share any interactions at home with your teachers!

Identifying Musical Instruments

How about playing a fun game of identifying musical instruments with your children? Listen to this YouTube link and to each instrument. How does your child respond to the sounds?

Do they have any preferences?

If there is a sound that motivates your child, please let the Music Therapist know who can recommend a piece of music or a song that uses this instrument.

<https://www.youtube.com/watch?v=vJcGIQraek>

How about matching PECS symbol visual references to the musical instruments?
