

Paper Bowl Bee

You will need:

- One paper bowl
- Googly eyes
- Yellow and black paint
- PVA glue
- Laminated pocket sheet
- Laminator
- Felt pens
- Scissors

Place the bowl upside down. Then paint the whole bowl using yellow paint, before leaving to dry.

Using a pencil, draw thick stripes onto the bee's body.

Paint alternate stripes in black, then leave to dry.

Put the plain laminate pouch through the laminator, then leave to cool.

Paper Bowl Bee

You will need:

- One paper bowl
- Googly eyes
- Yellow and black paint
- PVA glue
- Laminated pocket sheet
- Laminator
- Felt pens
- Scissors

Cut out two wings from the laminate sheet.

Stick the wings onto the top of the bee using PVA glue, then leave to dry.

Stick googly eyes onto the front of the bowl..
