

Literacy and Communication

In Literacy we will be working on our individual goals throughout the term that you can see on My Curriculum Goals Sheet

Every day we will be focusing on Reading, including phonics, Writing and communication as well as working on our individual tasks at our workstations.

We will also be looking at lots of stories about Aesop's fables, ancient Greece and mythology throughout the term.

We will be enjoying our reading corner in the classroom too, sharing books with each other and the adults in our classroom.

This Term my Topic is based on the theme:

All Greek to Me!

Key Stage 2
Autumn Term
2022

Maths

Throughout the term, we will be looking at all the areas of maths as well as working on our individual goals that you can see on the Curriculum Goals sheet.

Number - we will be linking our counting, addition and subtraction
– counting, shopping with coins role play

Measure – we will be learning new words to do with measurement when playing with toys. We will be exploring weight with different items

Geometry – we will be looking at patterns and shapes and making repeating patterns

Knowledge and Understanding of the World (Science, Geography, History, RE, Computing)

Science – we will be focusing on forces and we will explore materials that float and or sink.

History- we will explore ancient, modern Greece, ancient Greek stories and beliefs, ancient Greek theatre as well as Greek food and Olympic Games.

Geography – we will be learning about people and places

RE – This term we are learning about Ganesh and the importance to Hindus.

Computing- We will develop keyboard skills by finding the correct keys to enter text and delete mistakes.

Physical and Social Development (PE and PSHE)

PE – Dance– will experience body movements, and single actions. We will learn to respond to simple instructions during PE

PSHE – we are learning about other familiar people and people in the community who keep us safe. We will learn about how to recognise hazards and dangers in the environment.

Creative Development (Art, Music, DT)

Art – This term we are focusing on learning how to use tools and materials purposefully. We will be experimenting making marks and patterns using different materials. We will create Greek temples, vases, and plates.

DT – we will be looking at different fabrics and materials to make Greek Theatre Masks.

Music – we will be learning about how sounds can be made and changed. We will explore which toys can make loud and quiet sounds.

What I need in school this term and ideas to help me with my learning:

I will need to bring in my PE Kit every week.

If I have any spare wellies, waterproof clothes, scarves and hats that I can bring into school, these will help me practice dressing for outside as part of my topic.

Making arts and crafts at home to share with school

Looking at books about the toys and playing with different toys.

Learning about myself: looking at pictures of myself as a baby, learning about my family members.

You can also use <https://www.topmarks.co.uk/> for games and other educational ideas.
