

## Literacy and Communication

**In Literacy we will be working on our individual goals throughout the term**

Every day we will be focusing on Reading, including phonics, Writing and communication as well as working on our individual tasks at our workstations.

We will also be looking at lots of stories about Christopher Columbus (ships and the Ocean), Neil Armstrong (Space ships and space), Florence Nightingale (lanterns and health care) etc.

We will use PECS to further develop our communication skills and vocabularies.

We will be enjoying our reading corner in the classroom too, sharing books with each other and the adults in our classroom.

**This Term my Topic is based on the theme:**

## The Famous Five!

**Key Stage 1  
Yellow Class  
Autumn term  
2022**

## Maths

**Throughout the term, we will be looking at all the areas of maths as well as working on our individual goals that you can see on the Curriculum Goals sheet.**

**Number** - we will be linking our counting with items, grouping  
**Measure** – we will be learning new words to do with measurement when playing with toys  
- We will be exploring weight with different items

**Geometry** – we will be looking at patterns and shapes and making repeating patterns, recognizing shapes in the environment.

## Knowledge and Understanding of the World (Science, Geography, History, RE, Computing)

**Science** – we will be focusing on experiencing floating and sinking with different items

-we will learn about light and dark and experience/ explore a selection of light sources in a darkened environment

**History**- we will learn about the lives of significant individuals (The Famous Five) in the past who have contributed to national and international achievements

**Geography** – we will be learning about maps and about locations in school. We will also be exploring different types of transport.

**RE** – This term we are learning about 'the Harvest' and special celebrations (Christmas)

## Physical and Social Development (PE and PSHE)

**PE** – we will experience and explore a range of basic body actions and single movements. We will learn to link two actions to make a short sequence of movement

**PSHE** – we are learning about people around us this term, We will learn to recognise people who are important to us and how we interact with them.

## Creative Development (Art, Music, DT)

**Art** – This term we are focusing on learning how to use tools and materials purposefully. We will be experimenting making marks and prints.

**DT** – we will be looking at different fabrics and materials to build our neighbourhood display in class.

**Music** – we will be learning about how sounds can be made and changed. We will explore loud and quiet, fast and slow with different instruments.

## What I need in school this term and ideas to help me with my learning:

**I will need to bring in my PE Kit every week. Yellow Class has PE on a Tuesday.**

If I have any spare wellies, waterproof clothes, scarves, and hats that I can bring into school these will help me practice dressing for outside as part of my topic.

Making arts and crafts at home to share with school

Looking at books about the famous five.

Please continue to read the class reader that is sent home weekly.

Learning about myself- looking at pictures of myself as a baby, learning about my family members.

You can also use <https://www.topmarks.co.uk/> for Numeracy games

Please get in touch for more information.
