Bee on time!

Dear Parents and Carers,

We have reached the end of our first half term of the year here at Haymerle. It does not seem that long ago that we were opening the gates for the first time but, as they say, time flies when you're having fun!

For many children and families this has been your first term with us and we are delighted to see how well the children have settled into school routine.

We have had a busy term with Create Arts running an art of, 'Environmental Tales' project. Music Therapy has started with Sarah and Yoga classes are up and running. This week we welcomed an Olympic Athlete, Victoria Ohuruogu. We would like to thank you all for your support with this sponsored event.

Thank you to those parents/carers of our new starters who were able to attend our first induction session with the therapy staff.

Next term our Occupational Therapist will be offering some training to all parents around feeding and motor skills. We also plan on holding an informal coffee morning, welcoming SIAS and Early Help to be present to answer questions you may have about support in Southwark for children with SEND.

We hope you have a wonderful break.

Miss Nolan
Headteacher

BLACK HISTORY MONTH

Southwark Council are holding some events and workshops in October to celebrate Black History Month. Many events are taking place during the half term.

FAMILY SUPPORT

With the rise in living costs and utility bills rising, we do not think anyone in our community should have to face going hungry. If you are facing a crisis and need some help, there are a number of agencies and charities that offer this help, including the following;

Southwark Foodbank;

Peckham Park Road Pantry;

Please note there will be no school on
Monday 31st October.

Children return to school on
Tuesday 1st November.

SPORTS FOR SCHOOLS

We were very excited to welcome a top athlete, Victoria Ohuruogu to the school this week. The children took part in a fun fitness circuit and so many of you sponsored your children raising money for new PE equipment. We hope the children were inspired to be more physically active. This was a terrific and memorable event.

CREATE ARTS

We have been very lucky to have been chosen by Create Arts to take part in a project this term on 'Environmental Tales'. We have been working with an artist to create art works based on saving the planet. The children have enjoyed learning about ways we can save the planet and things that are causing it harm. We are very proud of the way they have all worked together and produced amazing pieces of art.
