

Literacy and Communication

Writing

- In writing, we are working on writing and reading our own sentences
- Learning to form all the letters of the alphabet
- Using sensory materials to explore mark making

Reading

- In reading we are learning how to blend letter sounds to make words.
- Working on recognising different environmental noises.
- Learning to make the sounds of all the graphemes in phase 2
- Reading all the words in our reading books without help

**This
Autumn Term
my Topic is
based on the
theme:**

That's life.

**Teacher: Dan
Glover
Class: Silver
Year: 6**

Numeracy and Problem Solving

Number

- Learning to organise and categorise objects
- Understanding 1-1 correspondence.

Shape and Space

- Using rulers to record measurement and to draw to specific lengths.
- Recognising and naming 2D and 3D shapes and describing their properties.

Using and applying

- Learning to use full range of vocabulary to describe position and movement

Knowledge and Understanding of the World (Science, Geography, History, RE, ICT)

Science - Learning about our bodies

- Learning to look at an adult moving and copying what they do.
- Learning to explore and observe activities in science such as how the body moves
- Learning to talk about what I have observed, why things happen, how they change using PECS or speech

Geography – Learning about transport

- Learning to enjoy playing with models of modes of transport
- Learning to use simple fieldwork skills

History- Learning about Florence Nightingale

learning to link passages of time with key features
learning to answer simple questions about historical artefacts with some prompting

RE – Importance of Food

learning to join in with a small group during group celebrations, religious experiences and activities

- ICT - learning to have some basic skills using ICT equipment

Physical and Social Development (PE and PSHE)

PE - Dance

- learning to follow simple instructions using symbols or prompts
- learning to explore basic body actions in dance

PSHE – Hygiene and Healthy living

- learning to know what is right and wrong from the consequences of my own actions
- learning to know what a balanced diet is

Creative Development (Art, Music, DT)

Art - Animation

- learning to choose tools and materials that are appropriate to the artwork
- learning to explore ideas in my artwork

Music – Texture in Music

- learning to copy and imitate actions, sound in songs and music
- learning to represent sounds with symbols to make a graphic score

DT – Baking bread

- learning to use basic tools with support
- learning to tell you what I like or want to use when I am making my product
- learning to tell you how I think they are made with some prompting

What I need in school this term and ideas to help me with my learning:

Local trips to the swimming pool.
You can also use <https://www.topmarks.co.uk/> for games and other educational ideas.
Please get in touch for more information.
